6. Present certificate holder, Harold Sigmon, has agreed to sell and transfer and Applicant Timothy P. Also see, the closing statement of February 21, 2007, both of which are attached hereto as "Exhibit A" and "Exhibit B", respectively.

The Water Utility currently has sufficient capacity to properly provide service to its customers. The Water Utility currently services a total of approximately eighty-five (85) customers, eighty-four (84) of which are residential customers and one (1) of which is a commercial customer.

11. Based upon the foregoing, it is in the best interests of the customers of the Water Utility and in the public interests that this Commission approve the proposed transfer of the Water Utility, as set forth in more detail hereinabove.

12. The South Carolina Office of Regulatory Staff is being served with a copy of these pleadings.

13. The SCDHEC is also being served with a copy of these pleadings.

WHEREFORE, having fully set forth the reasons in their Application, Timothy P. Oliver and Harold Sigmon respectfully request that this Commission:

1. inquire into this matter; and
2. if substantial opposition does not develop, hear and decide this matter at an appropriate weekly agenda session; and
3. grant its approval of the transfer and sale requested hereinabove; and
3. grant such further and other relief as this Commission deems fit and proper.

Respectfully Submitted,

/S/
